February 9, 2010

Terry,
the first thing I want to do for you is to do everything
I can to have you win the sum of \$25,000.00 immediately!

I know that this sum of money may not be
quite enough, which is why I am asking you to
please tell me the exact sum of money you need
on the special form attached to this letter
BEFORE February 24, 2010!

My dear Terry,

In just a few days, on the night of March 15, 2010 to be
exact, something very special is going to happen...

It wouldn't surprise me if you found it hard to get to
sleep that night...

Neither would it surprise me if, over the days that
follow that special night, you write me a letter telling me
that your financial woes are finally over because you have
just won a very large sum of money and that another par-
ticularly happy event has just cast new light on your life!

Why? Because the special event that is going to happen
over the course of that particular night can completely

turn your life around.

Allow me to tell you that you are a particularly lucky person Terry. In fact, few people will ever get the UNIQUE opportunity you are going to be offered in just a few days from now...

To be absolutely frank, I've know for some time that this date would be a very important one for you... But also, that some patience was needed...

Now, this great day has finally arrived, and I can now tell you: your life is going to change at last!

But you must surely be asking yourself what makes this night so special and why it is finally going to bring you what you have longed for so long? That's what I'm going to explain to you right now...

What is this special event that is going to happen during the night of March 15, 2010, and what is it actually going to bring you?...

Terry, have you ever heard of the "Black Moon"?

There are 13 "Black Moons" a year. It is actually the crucial moment when the moon is hidden by the shadow of the Earth, which means that it spreads a very special radiation, quite different from the light it gives off during a "regular" night.

It's important to remember that the Moon is, by far, the most influential celestial body in our solar system. The influence of the Moon is at play when we make important decisions about our future and it has an impact on both our personality and our future...

You must of course know about the phenomenon of the tides... that is due to the influence of the moon which, despite being two hundred thousand miles away, can move HUNDREDS OF BILLIONS OF TONS OF WATER!

But the "Black Moon" is also a very intense moment in High Magic. Basically, it's the only period during which the most powerful rituals can be performed.

That's the reason why, inside the envelope that I have enclosed with my letter, there is a very special Talisman, which I wanted to offer you. Normally I would NEVER do this sort of thing, but today is different. The opportunity you are being offered is really too important for anything to be left to chance.

I am going to ask you to do something very important with this

*See page 3 to find out why,
Terry*

Talisman, but for the moment, please just continue reading this letter.

First Terry, I have to tell you again that the "Black Moon" of March 15, 2010 is going to play a very important role in your Astral Chart...

As I said, this event happens 13 times a year, but only one of the times is of interest to us, which is the one on March 15, 2010.

Over the course of the night of March 15, 2010, and this night alone, the "BLACK MOON" is going to be in perfect harmony with you, Terry, but it is also, more importantly, going to be perfectly synchronized with the planets representing luck, love and MONEY! And that is something that is INCREDIBLY RARE!

Just imagine for a moment, the specific position of the moon that might only happen once every 29 years. And you, Terry, you are going to be able to profit from it!!! That's why we absolutely have to grasp this opportunity NOW!

Over the course of the night of March 15, 2010, I am going to be able to perform a very special Ritual for you, called the "Grand Ritual of the Black Moon", during which I am going to be able to make the 2 things you most want in the world a reality. And the first thing that I am going to ask for on your behalf is MONEY!

Because it's money you're most in need of at the moment... isn't it Terry?

You strongly believe that from that very special date on, your life is going to move in a new and positive direction, and everything you do is going to be crowned with success.

Everything you most want in the world, in other words, love, luck and most of all money, may finally be part of your life!

I also see that something amazing, something you have long been waiting for, is going to happen in your life! Can you think what special event I am talking about Terry?

Yes, truly, if you know how to make the most of this special news, and if you allow me to act on your behalf, I can tell you that your life is really going to change and you should be able to receive a large sum of money in the weeks that follow March 15, 2010!

I am going to ask for \$25,000.00 for you right away, but I need you to tell me VERY URGENTLY the exact sum of money you really need...

But it's not just a question of Money... →

Yes, I'm already planning to ask for \$25,000.00 for you. Do you think this is going to be enough to sort out your most urgent debts and give you some security?

If at any time and for any reason this sum of money is not enough, please write the exact amount you need on the attached Special Form. But most importantly, do it right away, without delay, because the date of March 15, 2010 is approaching fast and I need to know your answer BEFORE February 24, 2010.

Then, I am going to ask the "Black Moon" to make your second wish come true...

What is the second wish that you would like to see come true in your life Terry?

As I said, I can ask the "Black Moon" for 2 things for you during this "Grand Ritual" that I am going to perform for you... What is the second most important thing that you would like to happen in your life, after winning a large amount of money?

That may be all that you want... To help you, I have included in your Special Form, a short list of things that you might want to ask for. Of course, if your secret wish is not on the list, you can write it down for me in the special place provided on your Special Form, at the end of this letter.

LUCK

You can ask to have MORE LUCK!

As you know, without luck, it's difficult to succeed in anything... That's why you might ask me to influence the Black Moon to allow luck to enter your life.

Imagine how your life would be Terry, if luck were playing its part in it?

You could succeed in everything you set your mind to... You could triumph in all circumstances... You could win where you are usually beaten by failure... Emerge victorious from all situations... Grasp every opportunity and achieve your goal...

LOVE

You can ask for LOVE AND RELATIONSHIPS!

Love, happy relationships and friendships are important in life, which is why I haven't forgotten them. So, the second thing you might ask me to do would be to act on the powers of the Black Moon so that these elements also flow into your life.

Loneliness and/or the lack of love are not for you. Yes, I want to

YES, my dear Maria, I have clearly understood the powers of the "Black Moon" for Luck, Love and MONEY. So, during a special ritual that you are going to perform for me on the night of March 15, 2010, you are going to be able to ask for 2 of my most secret wishes to be fulfilled.
